

Course Overview

PERSONIFICATION & ONOMATOPOEIA

Learn how to step-up your writing with these two awesome and fun tools.

- See the magic and wonder of these two literary devices
- We take a more advanced (and fun!) look at these two common writing tools
- Check out 2 poems - one with and one without these devices
- Student will be more equipped to use these tools within their writing
- Student WILL be encouraged to write examples of sentences using these tools and send me their best few sentences for feedback
- Student CAN ALSO use these tools within a poem or creative piece they write, and send me that piece as well
