

THE ART OF IMAGERY

Learn how to step-up your writing as you use vivid language to appeal to the reader's five senses

- See vivid descriptions in action during Kristen's presentation
- Learn how to harness the power of "descriptive" verbs
- Check out 2 poems - one dazzling poem with lots of imagery and one without it
- Also check out a reading response - one with imagery and one without.
- Student will finish the course equipped to use these tools within their writing
